

Coloring Pages and Contest

Transmit Joy! is an audio storybook.

That means that the only pictures are the ones you imagine as you listen.

But we know that you have great imaginations,
and we'd love to see what you think the stories look like.

This coloring book doesn't have every page from every story.

There would be so many pages!

Instead, we've picked a few that we think you'll enjoy.

If you email us an awesome coloring page, we might run it on the website!

Send your copies to coloring@transmitjoy.com

(or snail mail to : Transmit Joy PO Box 2462, Providence, RI 02906)
